Corporate profile

> " We provide software developers for satisfied clients from all over Germany, Switzerland as well as USA and UAE "

-Sascha Thattil, Chief Executive Officer | YUHIRO

YUHIRO

Company

Founded in 2011, YUHIRO is a strong growing company focusing on providing the right developers to companies in the German speaking market. Our core strengths are in offering PHP, .NET, android and ios developers to marketing agencies, IT companies, IT departments. These developers will be working out of our premises for the respective clients.

@ Developer

We have two offices in India to handle the requirements of our clients from Germany
